 - *Cllr K Payne contacted Severn Trent who have claimed responsibility for the leak on Main Street and agreed to arrange for it to be fixed, as it will require a partial road closure they had scheduled the work in with RCC Highways for 10th -12th February 25. As the water is flowing diagonally across the road on a bend, I have instructed them this is dangerous when the water freezes. With this in mind, they are now looking to schedule this work as an emergency. They can't give me a date yet but it should be an improvement on the February date. I have advised RCC Highways that Severn Trent are looking to bring the work forward.*
